

Exhibitions and Activities Curated by Wei Hua

I Exhibitions:

1、Exchange Exhibition of China-Japan-ROK Modern Ceramic Art

Wei Hua has been the curator of Exchange Exhibition of China-Japan-ROK Modern Ceramic Art for five consecutive years. The exhibition, with teachers and postgraduate students from colleges and universities in China, Japan and Korea as its main body, was participated by more than 70 colleges and universities. Along with the exhibition, a symposium and an art camp were held to promote ceramic education and exchanges of ceramic creation among China, Japan and Korea.

- 3、 Exhibition of Ceramic Works by College Students in Guangdong(2014)
- 4、 Spirit of Appliance: Exhibition of Life Appliances II (2014)

2、National Ceramic Contest for College Students Curated by Wei Hua

Wei Hua has been the curator of National Ceramic Contest for College Students for three consecutive years. Every year there are sixty colleges and universities and 450 students participating in the contest on average. Directors of ceramic discipline of various colleges and universities are asked to be the judge of the contest. The winner will be chosen to participate in Exchange Exhibition of China-Japan-ROK Contemporary Ceramic Art, which provides students in China with a great opportunity to learn from and communicate with Asian artists.
