ESKİŞEHİR TEPEBAŞI MUNICIPALITY
External Relations Department

Dear Nataliya Zuban,

Eskişehir has become a distinguishable city in today's Turkey with its communal life style, urban spaces and events. A part of the forward looking, modern face of Eskişehir is Tepebaşı District and its Municipality.

Our municipality aims a community which has solidarity and ability to participate to the decisions that influence its life; therefore, the municipality performs all of its practices in cooperation with the town people. The municipality gives a special importance not only to cultural, artistic values, historical background and heritage but also their protection and development.

Art is beyond the garnishment of daily life, it is the key for happiness and harmony through the acquisition of a new perspective about one's life, relationships and actions. Moreover, we believe that artistic production and dissemination of the artistic production process to the community, allows the cultivation of a city identity thought the promotion of the interest towards art and artists.

There with terra cotta spreading on a large area thanks to the variety of its production aims and methods, presented the range from objects for daily use to artworks on a common universe. The municipality is encouraged from all intuitions and individuals making contribution to be taken place of the Symposium, together with citizens' efforts to keep the identity alive.

Taking into consideration all of the ideas presented above Eskişehir Tepebaşı Municipality conducts "12th International Terra Cotta Symposium" which will take place in Eskişehir.

I kindly invite you to participate to the 12th International Terra Cotta Symposium which will be held between the dates 01-16 September 2018, in our city Eskişehir, Turkey.

We look forward to having you as a participant for the 12th International Eskişehir Terra Cotta Symposium.

Best Regards,

Dt. Ahmet ATAÇ
The Mayor of Eskişehir Tepebaşı Municipality
