SHORT BIOGRAPHY

Aor Sutthiprapha is Thai born, Bangkok based ceramic artist and designer. Graduated in Bachelor of Industrial design from Chulalongkorn University, Bangkok and Master of ceramic arts from HDK, school of craft and design, Gothenburg University, Sweden. She has had 5 solo exhibitions and participated exhibitions in many countries. Member of IAC, international Academy of Ceramics. She is a 'contemplative ceramic' practitioner. Her practice is an interrelation between mental capacity and potential, like a meditation. The fascination to clay has implied to her works as an evidence of self-talking, an internal dialog which concerned with repetition and time-consumed working process.
