## BIOGRAPHY and C.V.

Born in Faenza, Italy in 1961, she lives and works in Faenza, in 1980 she graduated from the Institute for Ceramics "G. Ballardini" of Faenza.

From 1980 to 1987 she worked as a restorer of paintings and frescoes in Italy.

In 2008 she returned to ceramics by attending the "Specialization in Majolica Art" course at the same Institute.

In 2010 she opens her studio in Faenza where she creates unique pieces inspired by ancient toys.

She is a Pop artist, recognizable and unmistakable for her meticulous precision and realism, she uses ceramics as the main means of expression of her poetics.

Her artistic career, supported by a solid and accurate technical preparation, has received important feedback in national and international competitions. In 2008 she exhibited in Italy and abroad. Her work immediately received international recognition
