

Curriculum Vitae

Zhao Qiang

Zhao Qiang(b. 1970) graduated from the Ceramic Art Department of the Central Academy of Arts & Design (now the Academy of Arts & Design, Tsinghua University) with a Master's degree. Associate Professor. Member of the China Artists Association. Master of Chinese Ceramic Art and Design. Has held multiple large-scale solo exhibitions and participated in numerous significant domestic and international joint exhibitions and academic invitational exhibitions. His ceramic art and artistic career have been featured and promoted by renowned academic journals and media outlets worldwide. Appointed as a visiting professor at several universities, he was invited to lecture and exhibit in Europe in 2010 and in South Korea in 2011. In 2014, his work *Water Color Series* was exhibited at the British Museum's *New Porcelain—Contemporary Chinese Ceramics Special Exhibition*. Currently serves as the Director of the Public Art Teaching and Research Office, Department of Environmental Art, Donghua University. In 2019, his work *Harmony·Fusion·Symbiosis* was selected for the 13th National Art Exhibition.
