Contribution Honors Of Americasmart Icon Honors

FRANZ collection won one of the home and gift industry's most coveted awards, the Icon Honors Award. The award was presented to FRANZ on July 12th at the Icon Honors Award ceremony, which took place at Americasmart In Atlanta, Georgia, USA. FRANZ's winning project was the "Tree Of Life" Porcelain Wall. The "Tree Of Life" wall is a gift from FRANZ founder and CEO Franz Chen to Fu Jen catholic university hospital in new Taipei city, Taiwan. This is a one-of-a-kind art wall, intended to bring healing and hope to the patients and their families when they come to the hospital. The wall depicts scenes from the new testament as well as other visionaries such as mother Theresa, Florence nightingale, and Helen Keller. Thirty artisans labored for 450 days to create the wall that stands almost 10 feet high and spans nearly 59 feet and is comprised of 600 individual three-dimensional tiles.
