Top L-R: Work by Makimasa Imai; Takehiro Kato; Teruko Ide; Ryozo Shibata

Kogei-Kyoto Visiting Artist Demos

**Monday, September 9, 2019
10:00am - 5:00pm**

Four influential ceramic artists from the Kogei-Kyoto crafts collective of Kyoto, Japan will share their techniques for creating their works in clay. Makimasa Imai, Takehiro Kato, Teruko Ide and Ryozo Shibata will give registered participants the opportunity to appreciate the range of techniques used by these artists.

An exhibition featuring the work of these and other artists from the Kogei-Kyoto group will open on September 10 at the Society of Arts + Crafts.

Registration for this workshop: Adult Community enrolled in a Fall 2019 course at the Ceramics Program: \$50.00; Adult Community not enrolled in a course \$100.00; Harvard Graduate Students \$25.00, Free for Harvard College Undergraduates. Please visit our website for complete details and registration: bit.ly/harvardceramicsVA
