Biographical Summary

Hsin-Yi (Julia) Yang was born in San Francisco. She is a professional ceramic artist based in Taipei, Taiwan. Yang has received her PhD from the Australian National University in 2018 and is also a current staff member of the Yingge Ceramics Museum. Her practice focuses on the relationships between ceramics and the viewers; by inviting the viewers to interact with her artworks, new relationships within objects and viewers are discovered. Yang's works have exhibited in various countries, including the Australia, China, Germany, Spain, Taiwan, and the US.
