

Qu Bing

Born in 1968

I graduated from the Ceramics Art Department of the Academy of Arts and Design in 1990.

I established the Qu Bing Ceramic Studio for the design and creation of black ceramic pottery and instigated the cooperation of Art Universities to form a base for the study and practice of ceramic pottery in 1995.

I again received a distinction for The Master Ceramicist of Shandong Province in 2004.

I am a director of Arts Commission of the China Ceramic Industry Association .

I am a deputy secretary-general of Arts Commission of the Shandong Ceramic Industry Association .

I attended to the Macsabal firewood festival in Korea in 2007 , 2008 , 2012.

My works won the gold medal in the 9th ceramic innovation competition in China in 2010.

My works won the gold medal in the 10th ceramic innovation competition in China in 2015.
