

## Resume

Bin Zhou Born in Wenzhou in 1988

**Contact Address**Hubei Institute of Fine Arts, Limiao Road 5, Canglongdao Science and Technology Park, Jiangxia District, Wuhan City, Hubei Province

**Contact Phone**+86 15350387178

**Email Address**183620878@qq.com

## Educational Background

Graduated from Dankook University, South Korea, with a Doctoral Degree in Ceramic Art Modeling.

## Professional Experience

Since 2021, employed at Hubei Institute of Fine Arts, specializing in ceramic art and serving as a Master's Supervisor. Member of the International Society for Ceramic Art Education and Exchange (ISCAEE) and the Korean Society of Ceramic Art (KSCA). Meanwhile, appointed as Deputy Director of the Jingdezhen Creation Center of Hubei Institute of Fine Arts. Works have been exhibited in numerous important domestic and international modern ceramic art exhibitions.

## Artistic Style

My main creative direction is the *White Flower* series. This series consists of ceramic works created through combined firing of mixed materials, using ceramic slurry as the carrier. The works take the abstract image of "flowers" as the motif, combining fiber and ceramic materials. Through high-temperature firing techniques, roughness and delicacy are interwoven to create three-dimensional textures resembling blooming flowers, presenting the vitality of natural growth.

## Exhibition Experiences

Works have been exhibited in more than 50 domestic and international exhibitions. International exhibitions include:

- 2024: The 14th National Art Exhibition (Crafts and Ceramic Art Section)
- 2024: The 7th "Boundary · Fashion" Invitational Exhibition of Chinese Contemporary Ceramic Art Experiments

- 2024: The 4th "Four Directions of Soil and Water" Qingdao International Ceramic Art Exhibition
