

DE BARRO Y VIDA

OCTOBER 2021

Solo Exhibition Centro Arte Lo Barnechea

Individual Exhibition presented, for a month, in October 2021 at Espacio Arte in Lo Barnechea, Santiago, Chile. On the occasion, a summary of the highlights of his artistic development of the last five years was presented. Among his outstanding works are "Mitosis", "Eclósión", "Cohabitar" and "Gestación".

The name of the exhibition refers to the materiality of his pieces and the relationship of his work with life. His sculptures evoke the way in which nature contains and protects life in its different stages of development.
