

The 11th Clay Symposium Exhibition in Finland

May 10, 2019 at 16:30, Finland time, the 11th Arctic Clay symposium Art Exhibition opened in the Arctic Ceramic Center, the world's northernmost Ceramic Center in Posio, Finland. Seventeen artists from eight countries and regions participated in the symposium. They were invited by the Arctic Ceramic Center to be resident artists for one month in Posio. The exhibits are the achievements of all artists' art works for one month. Curator is Mr. Suku Park, council member of the International Academy of Ceramics, art-director of ACC, professor of Sangmyung University in Korea. The opening ceremony was hosted by Reijo Lantto(former CEO of Nokia).
