Cover page

# Awards / 2024

In 2024 "Vantage Point" was a **Finalist** in the Ceramic Design Category at the 13th International Ceramics Competition in Mino (Japan) and it was awarded an **Honorable Mention**.

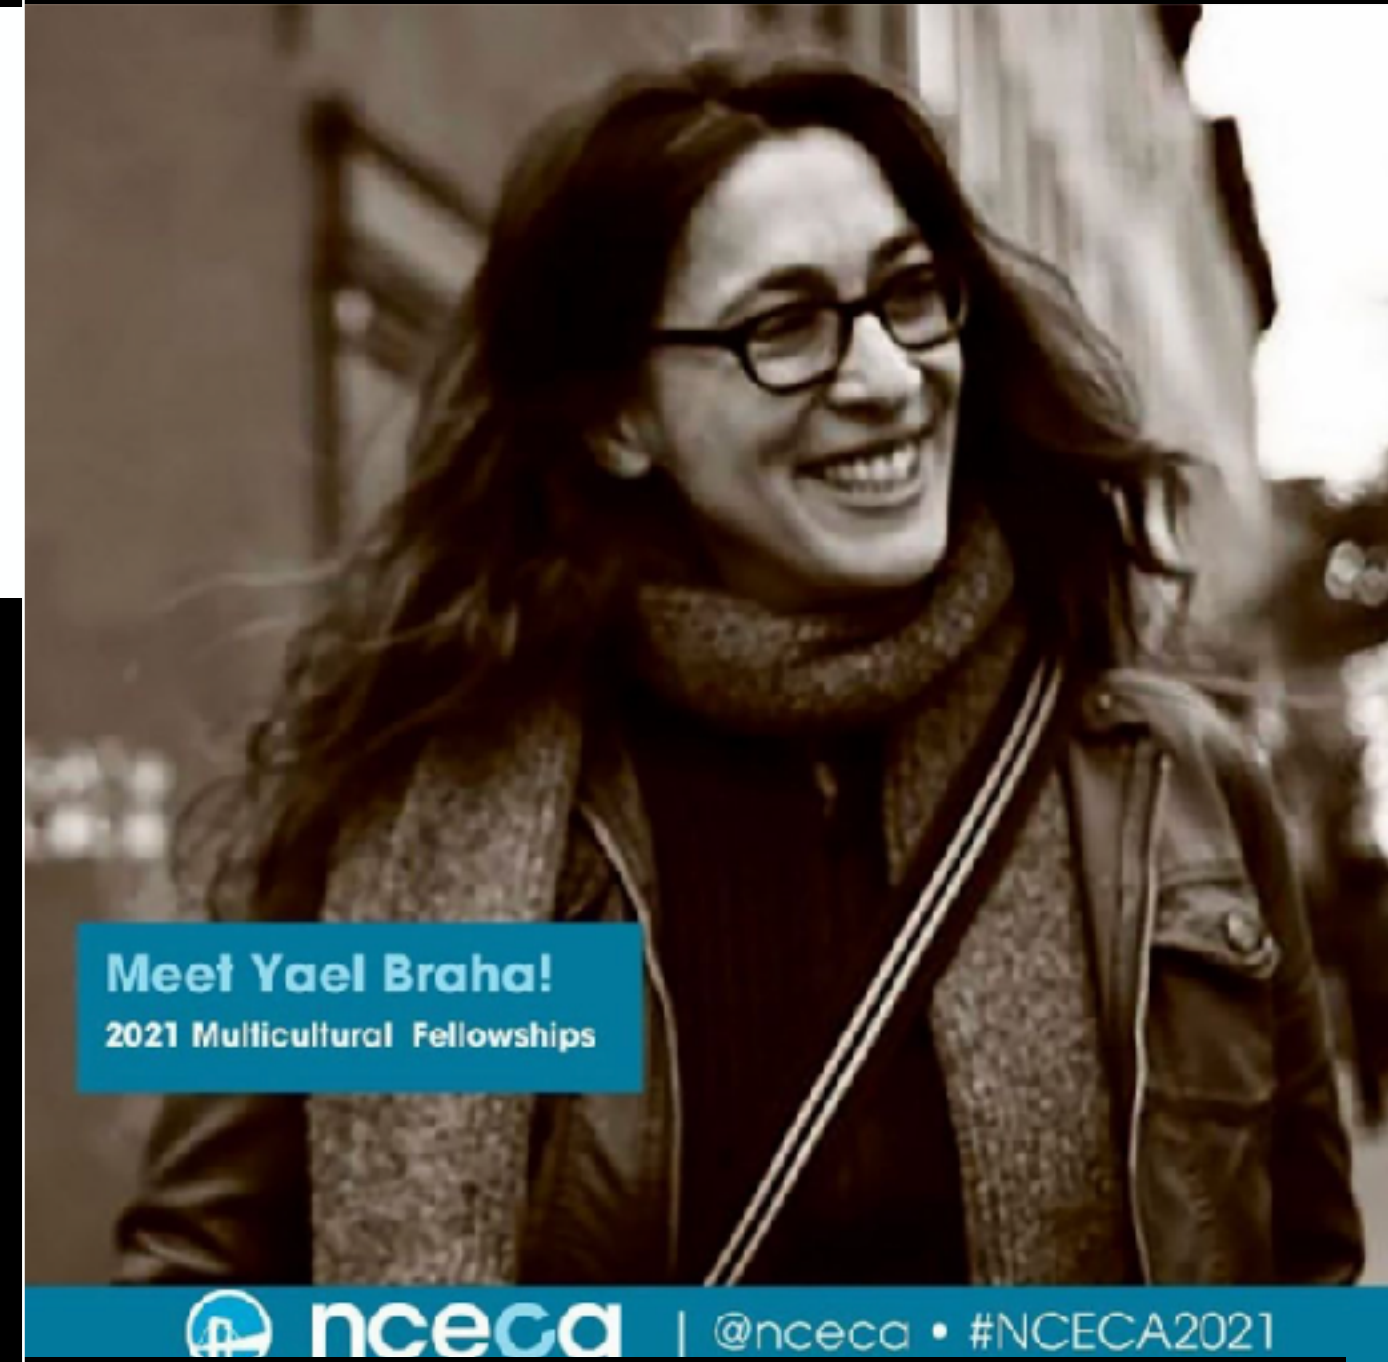

**Vantage Point**  
Hand built, Shigaraki clay,  
wood firing  
W 12 x D 8 x H 20 in. 2023

# Awards

In 2024 I was awarded the **American Craft Council Emerging Artist Award**. I was one of 11 artists selected among 850 applicants across the United States, and I was the only artist working in ceramics - yet another honor and recognition that gave me confidence to continue my journey.

In 2021 I was awarded a **Multicultural Fellowship Award** from NCECA (National Council for Ceramic Arts).

# Wild clay Harvesting

TOKONAME, JAPAN

QUEBEC, CANADA

VIRGINIA, USA

Hand harvesting samples of wild clay is an integral part of my studio practice - whenever possible I go dig clay and use it for slip decorations or clay bodies. So far I harvested clays in the Usa, Canada, and Japan.
