

YULIA REPINA

Russia

CV

BACKGROUND:

I studied Ceramics at the Art Academy in St. Petersburg, Russia. Of all kinds of ceramic art ceramic sculpture fascinates me the most. Even though my works are largely figurative, main focus is always on such formal tasks as determining the rhythm, resolving the relationships of the large and the small, the general and the details, finding simple ways to express the internal complexity.

MEMBERSHIPS

Member of IAC since 2017
