## PROFESSIONAL DATA

Since 1995, I have been working in my own workshop, making mainly artistic works, and since 2012 also decorative and utilitarian ceramics.

Since 1999, I have been organizing ceramics workshops for children and since 2010 also for adults in my own workshop throughout the school year, accompanying them in the creative and technical process.

2019-23

Ceramics teacher at the School of Fine Arts of Salt (EMBA), adults and children, all levels.

2011-19

Trainer in artistic education (mainly through working with clay) at the municipal school of Sant Julià de Ramis, throughout the school year, for children in kindergarten and primary education.

2009-19

Co-founder of the company Taller Nimbe, dedicated to the direct or indirect implementation of artistic activities in schools, from the school and extracurricular areas and to the carrying out of specific workshops for schools, Town Councils, libraries, associations,..., together with the designer and illustrator Roser Arimany.

2003-09

Active participation as a mother and partner in the Waldorf educational project L'Escoleta-Association Gironina for Waldorf pedagogy.

1999-19

Ceramics and modeling workshops aimed at children, as an extracurricular activity throughout the school year in several primary private and public schools in Girona and the surrounding area (Montessori-Palau, Flaça, Sant Gregori, Bambini, Eiximenis,...)

1999-19

Ceramics and artistic education workshops (ceramic jewelry for adults, Christmas workshops, spring workshops,...) aimed at children and adults for the Girona City Council, Sarrià de Ter City Council and Sant Gregori City Council.
