Side activities/Service to the ceramic community

Teaching ceramics to amateurs in several different art centres with an average of 10-16 hours a week 1991- now

Teaching workshops in the Netherlands and abroad with an average of 2 – 4 workshops a year 2000 – now

Member of the Committee of Dutch Organization of Ceramicists (NVK) 2008-2015

During this time I initiated and helped organise the Ceramics Biennale in the Netherlands, which has since grown to a International Ceramics Triennale in the Netherlands.

Member of the selection committee of the Ceramics Market in Gouda 2015-now

I took part in the Open Studio days in France Nord in 2006 when I was living in Leuvrigny, France.

I take part in the Open Studio days in Barendrecht from 2009- 2019.
