Website, Fax (none)

2005, I graduated from Jingdezhen Ceramic University with a bachelor's degree in ceramic art and design,

2008, I graduated from Jingdezhen Ceramic University with a postgraduate degree in Contemporary Ceramic Art.

Since 2008, I have been teaching in the Department of Contemporary Ceramic Art, Academy of Fine Arts, Jingdezhen Ceramic University, and as a graduate supervisor, member of Jiangxi Fine Arts Association, Jiangxi Ceramic Art Master, inheritor of intangible cultural heritage in Jingdezhen. I have been teaching for many years in university, and also have been the design director of Jingdezhen Yubai Porcelain Co., Vice President of Jingdezhen Celadon Research Institute and External Instructor of College of Materials Science and Engineering, Jiangsu University.

My works have been selected for large-scale exhibitions sponsored by the most authoritative and influential Chinese Artists Association, including the 11th National Art Exhibition, the 12th National Art Exhibition, the 2018 China Contemporary Arts and Crafts Biennial, the 1st China Contemporary Ceramic Art Exhibition, the 3rd China Contemporary Ceramic Art Exhibition, 2022 "New Heritage" Chinese Ceramic Art Exhibition and other important exhibitions (These exhibitions do not evaluate awards). I have also won one gold medal and five silver medals in national competitions and two gold medals in provincial and ministerial competitions, and I have published more than ten academic papers in my

professional research and has presided over many provincial and municipal projects.
